Office of the Honorable
Charles H. Percy
United States Senate
Washington, DC 20510

Dear Mr. Reser:

This is to confirm that the CIA briefing of the Lombard, Illinois Businessmen's Association of DuPage County scheduled for 9:15 a.m. Wednesday, 25 May was cancelled. According to our telephone conversation of Monday, 23 May, the time change had not been figured in the agenda and the group will be arriving at Dulles Airport at 9:40 a.m. rather than 8:30 a.m. as previously planned. In order for the Association to meet its 11:00 a.m. appointment with Chairman Volcker of the Federal Reserve Board, the CIA briefing had to be cancelled.

We hope that despite the change in the group's agenda, their trip to Washington will be useful and informative.

Sincerely,

Public Affairs

Dear Mr. Reser:

This is to confirm Senator Percy's request that members of the Lombard, Illinois Businessmen's Association from DuPage County will visit CIA Headquarters Wednesday, 25 May between 9:15-10:30 a.m. Schedule permitting, CIA Executive Director [redacted] will be on hand to greet the group. [redacted] will follow him with a briefing on the state of U.S. intelligence, organization and history of CIA. According to our conversation this morning, you will be with the group coming from Dulles Airport. Could you possibly be here a few minutes before 9:15 a.m. so people can check in, therefore allowing more time for the briefing. We will be meeting in the auditorium. Enclosed is a map with directions to the Central Intelligence Agency.

SIAI

As we discussed, I am expecting an alphabetical list of all attendees with full name, home address, date and place of birth, and social security number. Please include a brief statement that all attendees are U.S. citizens. The Agency cannot admit foreign nationals.

Please let me know if any handicapped persons will attend so that I can make special arrangements to assist them. Some form of identification must be shown to the receptionist upon entering the building. Since we have limited parking facilities, I'll need to know the number and description of vehicles you will be arriving in. Buses should plan to stay here for the duration of your visit; otherwise, special arrangements must be made with the gate. Please notify me in advance of your visit so I may take care of any arrangements to be made.

The Agency allows neither hazardous equipment--such as weapons or explosives--nor cameras, recording devices, or radio transmitters to be brought into the building.

We look forward to your visit. If you have any further questions, please call me at 703-351-7676.

Sincerely,

Dear Bill:

I appreciated talking with you recently. I will fully explain to our group of business and political leaders of DuPage County that the CIA does not have any regular tours, inasmuch as it consists of merely a large number of offices and there is literally nothing to see. But I will advise them that they can go directly to the Agency facilities, meet in a small auditorium, and that either you or John McMann would see that they have a general, non-classified briefing.

Their plane arrives at Dulles at 8:30 a.m. and they would probably be at the Agency by 9:15, as they are due at the Federal Reserve at 11:00 a.m.

I am most grateful for your cooperation and support in this regard.

Warmest personal regards,

Mr. William J. Casey
